

1. Flight Validation Pilot recurrent course

Questions at a glance	Answer
Duration	2 working days
Tuition Fee	CHF 1100 including 2 lunches and one dinner, not including accommodation/ breakfast
ICAO recognised?	No, there is no such thing as an ICAO recognition for training. ANI is a State-approved training provider and complies with all ICAO training regulations.
Certificate?	ANI Certificate, FVPs require a State Approval.
Pre-requisites?	Yes. Please see below for details.
Daily schedule?	9.00 - 16.30
Is this mandatory?	For some States yes, approvals will be frozen if recurrent training is not completed on a regular basis.
Location and Venue?	Zug/Switzerland. Smaller Classes will be held in the ANI headquarters, larger classes at the Parkhotel Zug.

2. Why recurrent training?

FVPs are a crucial element in the QA process for Flight Procedure Design. They need to be up to date as much as the Flight Procedure Designers. New criteria appear and existing criteria change from time to time. In order for the QA process to work seamlessly, recurrent training is required

3. Pre-requisites

To attend ANI FVP recurrent training, participants must be trained and approved Flight Validation Pilots.

4. Course Rundown and schedule for 2018 Courses
